

# Girls Rock Camp Vancouver 2019

## Rock Enroll! Summer Session Intern Application

Girls Rock Camp Vancouver is a non-profit society that builds self-esteem in girls and non-binary children and youth through music creation and performance. By providing workshops and technical training, we create leadership opportunities, cultivate a supportive community of peers and mentors, and encourage social change and the development of life skills.

The Intern position is a valuable way for youth to gain work experience and pass on their knowledge to younger campers.
