

Girls Rock Camp Vancouver Application for Financial Aid

We want Girls Rock Camp to be accessible to everyone interested in attending. For this reason, we are able to offer full or partial subsidies for camper tuition depending on family income. Please fill out this application form so we can allocate said funds accordingly. This information is confidential and will not be shared with anyone outside GRCV board members. GRCV runs on a tight budget relying heavily on donations and volunteers, therefore we ask those who can pay the full tuition to please do so. Thank-you for your interest, and we will contact you as soon as possible with our decision.
